

# logickeyboard™

Edit like a Pro

The new **KEYBOARD** for  
Adobe® Premiere® Pro

## SIMPLICITY AT YOUR FINGERTIPS

The new logickeyboard™ turns your editing application into a professional media environment, by enabling instant accessibility to the most used

shortcuts in Adobe® Premiere® Pro. The colour coded keycaps are designed to simplify your work process and speed your navigation.

logickeyboard™ made for use with other Adobe® products

Adobe® Photoshop®  
for PC and Macintosh

Adobe® After Effects®  
for PC and Macintosh

...and more keep coming
