Two models are available for Adobe® Premiere®:

DV Keyboard *
Professional Series

Features:

- Unique Jog/Shuttle Device
- Easily installed software with presets
- Can be used with other applications including Word, Excel, and Internet Explorer
- USB Connection
- Windows 2000 and XP Compatible
- Two USB ports

DVKEYBOARD

Specialty Keys can be programmed for added functionality

Shuttle Controller (outer ring) allows play & hold at the speed you want!
(turns 90 degrees in either direction)

Jog Controller (inner wheel) allows for more finite frame by frame control!
(The faster you spin the wheel, the faster your video moves)
