

End-User Licence Agreement (EULA)

EULA for the software product “Effex”: a plugin for MAXON’s Cinema 4D

IMPORTANT: PLEASE READ THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT CAREFULLY BEFORE INSTALLING THE PROGRAM

For the purposes of this agreement NAVIÉ, (“NAVIÉ”) a private sole proprietorship from Germany, shall be considered as the supplier of the plugin “Effex”.

This End-User License Agreement (“EULA”) is a legal agreement between you, the Authorized User (either an individual or a single corporate entity), and NAVIÉ for the software product identified above, which may include associated software components, media, printed materials, and online or electronic documentation.

By installing, copying, or otherwise using Effex you agree to be bound by the terms of this EULA. This license agreement represents the entire agreement concerning the program between you (“the licensee”) and NAVIÉ (“the licensor”), and it supersedes any prior proposal, representation, or understanding between the parties. If you do not agree to the terms of this EULA, do not install or use Effex.

Effex is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The plugin is licensed, not sold.

1. GRANT OF LICENSE

Effex is licensed as follows:

(a) Installation and Use.

NAVIÉ grants you the right to install and use a copy of the plugin on one computer running a validly licensed copy of MAXON’s Cinema 4D. If you wish to use the plugin on more than one computer, you must purchase an appropriate number of additional licenses.

(b) Backup Copies.

You may also make copies of the plugin as may be necessary for backup and archival purposes.

(c) Individual licences

An individual licence of Effex is locked to a single serial number of Cinema 4D. The Effex serial number therefore CANNOT be changed after purchase. It is your responsibility to enter your Cinema 4D serial number correctly when purchasing. In cases of genuine error NAVIÉ will consider each case on an individual basis.

(d) Floating licences

Floating licences of Effex may be used with any serial number of Cinema 4D including Licence Server installations.

(e) Licence Server licences (including multilicences with limited seats)

These licences can be used only with the Cinema 4D Licence Server serial number supplied at the time of purchase and only for all available seats managed the C4D License Server.

(f) Upgrades to Cinema 4D

Upgrades to a new version of Cinema 4D will always require a new serial number for Effex. Normally this will be provided free of charge. NAVIÉ reserves the right to refuse to provide new serial numbers in cases of suspected software piracy.

2. OTHER RIGHTS AND LIMITATIONS

(a) Maintenance of Copyright Notices.

You must not remove or alter any copyright notices on any and all copies of Effex.

(b) Distribution.

You may not distribute registered copies of Effex to third parties. Evaluation versions available for download from the Effex website may be freely distributed.

(c) Prohibition on Reverse Engineering, Decompilation, and Disassembly.

You may not reverse engineer, decompile, or disassemble this plugin, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

(d) Rental.

You may not rent, lease, or lend the software.

(e) Support Services.

NAVIÉ may provide you with support services related to the plugin ("Support Services"). Any supplemental software code provided to you as part of the Support Services shall be considered part of the software and subject to the terms and conditions of this EULA.

(f) Compliance with Applicable Laws.

You must comply with all applicable laws regarding use of the software.

3. TERMINATION

Without prejudice to any other rights, NAVIÉ may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of the plugin in your possession.

4. LICENSE TRANSFER

You are allowed to sell and transfer the acquired license at any time. You must make sure that the future license holder complies with this EULA. If the user fails to do so NAVIÉ remains the right to refuse license transfer (even after the license has been sold by you, the current license holder). You must furthermore contact and provide NAVIÉ with all required details of the new license holder. Once the license transfer is finished, you must destroy all copies of the plugin and related license data in your possession.

5. COPYRIGHT

All title, including but not limited to copyrights, in and to Effex and any copies thereof are owned by NAVIÉ. All title and intellectual property rights in and to the content which may be accessed through use of Effex is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This EULA grants you no rights to use such content. All rights not expressly granted are reserved by NAVIÉ.

6. NO WARRANTIES

NAVIÉ expressly disclaims any warranty for the plugin “Effex”. The plugin is provided “As Is” without any express or implied warranty of any kind, including but not limited to any warranties of merchantability, noninfringement, or fitness of a particular purpose. NAVIÉ does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links or other items contained within Effex. NAVIÉ makes no warranties in respect of any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb, or other such computer program. NAVIÉ further expressly disclaims any warranty or representation to Authorized Users or to any third party.

7. LIMITATION OF LIABILITY

In no event shall NAVIÉ be liable for any damages (including, without limitation, lost profits, business interruption, or lost information) rising out of “Authorized Users” use of or inability to use Effex, even if NAVIÉ has been advised of the possibility of such damages. In no event will NAVIÉ be liable for loss of data or for indirect, special, incidental, consequential (including lost profit), or other damages based in contract, tort or otherwise. NAVIÉ shall have no liability with respect to the content of Effex or any part thereof, including but not limited to errors or omissions contained therein, libel, infringements of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information. Installation of the software indicates your acceptance of these conditions.
